Yes, but

## The Happy Friends of the Axis

### Japan

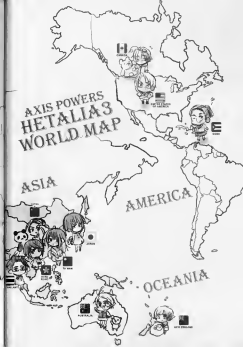

A quiet, serious, Oriental, warmer nation.  
His special skills are reading the atmosphere and being tactical. His island nation has a reputation for having a mysterious culture and thoughts! He enjoys himself during all four seasons!

### Germany

A top-serious and sincere young man. Although his physical strength is strong, he is weak for ruins. He is always troubled by seeing to one or another of Italy's problems. He is covered with beer several times a year!

### Italy

A playful, cheerful, babbling, "giri-giri", pizza-, pizza-, and pizza-loving Latin boy! When he actually makes a serious effort, he can be amazing, but he only tries in front of girls!

## America

I am the number one hero!  
Perhaps because of his youth, he can muscle  
out of things other nations can't!  
Loves hamburgers, cola, and ice cream!

## Canada

America's cheerful and amiable neighbor!  
Although all sorts of things fly in from America,  
his personality is that he only thinks "that bastard"  
and won't be dragged along!  
At the Olympics, he frolicked a bit too much,  
and is now in rehab mode!  
His partners are maple syrup and the  
white bear Kung-fu!  
(They can't remember each other's names correctly!)

## England

Though he always acts cynical things,  
he is a romanticist gentleman-guy, hence!  
Glorious American movies as being unrealistic,  
and by his side are fakes and antiques  
-his friends with-  
his cooking repertoire is just and clean!

## France

A snobby, art-consumed older brother  
Though he appears snobby, in certain circumstances  
he can be subdued!  
Recently, he has become more agreeable to farmers!  
His hobbies are hosting art galleries,  
stoking, and leaving Paris!

Russia

A big, gentle, and rather nervous  
one isn't malicious, (just extremely scary!  
With people other than his friends,  
he becomes shy and unsocial!  
That's right! He thinks all of you are friends!

China

A low-flying, peevish, free immortal!  
Ordinarily halfhearted, in recent years he's  
completely changed and now makes a serious effort!  
Although he is old, his wallet is lonely,  
and wants to be given anything!  
Of course he does so! (hi chase is the meaning)

Poland

Although he is shy and afraid of strangers,  
once he gets used to you, he acts like a prince!  
He acts shy, but surprisingly, he's quite sensitive!  
When he is determined to go in a strange direction,  
no one can stop him!

Lithuania

A serious young man with a strong body!  
More serious than Germany and  
worse at understanding jokes!  
He used to be awesome,  
but recently he hasn't been blessed by his boss!

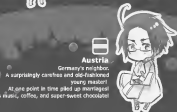

## Prussia

The overbearing, cream-colored older brother of Germany! His manners when passing through are formal but surprisingly, his true nature is the methodical, severe, serious older brother of Germany! Now he lives as a good-for-nothing at Germany's house and as scattered employee in Russia!

## Hungary

Austria's neighbor  
A long time ago, she was part of an equestrian tribe, but since she has settled, she's become more gentle!  
Her friendship with Poland is great!

## Austria

Germany's neighbor.  
A surprisingly catches and old-fashioned young master!

At one point in time piled up marriage!  
Likes music, coffee, and super-sweet chocolate!

## Spain

A passionate, cheerful, and excessively "my pease" older brother!  
When he gets wine, he becomes sentimental,  
and if he gets drunk, you better put some distance  
between you and him!  
He won't be angry afterward!

## South Italy

Avoid towards men, but sweet to girls, he is the southern  
half of Italy, a somewhat "useless" older brother!  
Given because he is worse at things  
than his younger brother!  
Loves pasta, pizza, tomatoes, and chili  
Though the "brothers" relationship is bad,  
he has come to really rely on his younger brother!

## Sweden

A methodical, calm, quiet, organ-lover-loving  
northern country!  
In reality, he is full of emotion, but his face doesn't show it!  
His fingers are white, but his soul is completely blackward!  
His calm, sweet face has become dangerous weapon!

## Finland

A calm, with slightly eccentric ideas, mystery boy!  
He appears quiet, but there is a quiet voice!  
He'll let you play him up to ten times, but just  
that he'll return to many times over, so you better stop!

## Switzerland

He appears to be a hikikomori and moody, but surprisingly, he is a kind, middleclass person! Though he claims to be permanently neutral and appears peaceful, in reality he employs universal conscription for protection! The area by his window is decorated by flowers, and if they aren't put there, a warning will come!

## Belgium

A diligent, kind, middleclass, and friendly older sister! Although her features stand out, her clothes are simple and not very conspicuous! Loves gourmet and tasty snacks!

## Netherlands

The solemn, neat freak, downer, Hikonbu-dokori speaking, scheming older brother. Of course he goes Dutch. Of course his kitchen and garden maintenance is flawless. By the way, he loves bunnies! The raw materials for his cooking come from Germany!

## Greece

A carefree, friendly, philosophical young man!  
He speaks slowly and steadily, and continues  
for a very long time!  
But when riding in cars he becomes  
a little bit faster!  
He is liked by cats and loves cats himself!  
Still fights with Turkey now!  
Although slight advances have been made  
recently, they still fight!

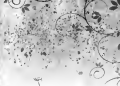

## Turkey

A youthfully vigorous and hearty young man!  
Loves sweet things and robots!  
Negotiations for entrance to the EU have  
continued for such a long time  
the patience is exploding!  
I can still beat up Greece now!

*Grainish baloney  
if you put a little salt  
in water, and put the salmon in,  
you'll have yourself  
some delicious trading salt!*

In Okinawa, there is a shop that specializes  
in salt and a salt-scented love charm!

GOOD DAY. I AM JAPAN. WE HELD A MEETING AT GERMANY'S HOME TODAY. HOWEVER, IT IS DIFFICULT TO GET TO THESE MEETINGS BECAUSE MOST OF THEM ARE HELD IN EUROPE.

## Greeting The Circumstances with European Cars

MY HOME IS THE ONLY ONE THAT IS FAR, SO GOING TO EACH MEETING IS QUITE A TRIAL.

the eye of his long-dark-looking father,

### [Long Tunic]

In Europe, in the 11th century it was fashionable to wear long, frilly, grish-looking tunics. The grish appearance and ideas of freedom caused the wise men of the day to write it down.

This was the result of the Norman Conquest!  
Popular in France

Also popular in England, but somehow it's a little different...

And thus the fashion phenomenon occurred:

England's Tunic!

(Norman Conquest) The Normans subjugated England... and brought fashion! (Slightly racist statement, it really just means that the Normans were related to French and French supporting people, plus, French things became popular and everything seemed peaceful)

THAT'S LEP SERVICE!

THAT IDIOT.

LIKES THAT HE'S EASY TO UNDERSTAND

Italy, during this period, was split into many independent kingdoms. It was an era in which the people of the same commune would bicker with each other and communes would clash in the midst of all this. Florence gave birth to the Renaissance culture and a magnificent age in Italian history was welcomed as

—BUT WHY IS HE REALLY SMILING?—  
 THE SWEDISH HAVE A REALLY INTERESTING THING OF SURVIVING EAST. WHEN AN ORDER OF MOUNTAIN REACHES THE SOLDIER.  
 DURING THE BATTLE, THEY EASILY RETREAT AND GO BACK. COUNTRIES FOLLOW THE BATTLE AGAINST SWEDEN AND THE BATTLE AGAINST RUSSIA IN FINLAND AND SUCH.

WE NOW GO BACK A LITTLE TO THE ERA AFTER THE BATTLE OF TANNENBERG HAD OCCURRED. AFTER THE BATTLE, THE TEUTONIC KNIGHTS MANAGED TO RETREAT ALL THE WAY TO MARIENBURG (MALBORK) CASTLE, BUT SOON FOUND THEMSELVES SURROUNDED ON ALL SIDES BY THE POLISH-LITHUANIAN UNION.

HOWEVER, BECAUSE THERE WERE MANY SOLDIERS IN THE POLISH-LITHUANIAN UNION THAT WERE FARMERS, THEY CANCELLED THE SIEGE OF MARIENBURG AND RETURNED BACK TO THEIR COUNTRY TO GREET THE HARVEST SEASON. SUCH IS THE POLISH-LITHUANIAN UNION.

ATTACK WE'LL  
NEVER  
FORGET!

With  
the attack  
on high  
spirits they  
launched  
the first  
attack.

I  
AGREE  
COMPLETELY

DON'T  
YOU THINK  
THEY COULD HAVE  
AT LEAST  
CHANGED  
THE WAY WE  
ARRIVE HERE?

THAT  
MAY BE  
THE  
CONSEQUENCE

LOOKS LIKE  
WE CAN  
TAKE  
SOMEONE  
THAT!

IT SEEMS  
WE WERE  
SEPARATED  
WHILE WE  
WERE  
DRIFTING

REALLY  
WE WENT  
THROUGH  
A LOT!

WHERE ARE  
THE OTHERS?

THEY

WHY IS  
THAT?

YOUR  
BODY MAY  
NOT BE AGREE  
BUT THE  
MIND WILL  
COME  
TO A BETTER  
OR WORSE  
AND DEATH

IN ANY CASE  
WE NEED TO FIND  
A PLACE  
FOR SHELTER  
AND GET  
SOME WATER  
AND FOOD!

I DON'T  
REALLY  
KNOW  
WHAT I WANT  
FOR CHRISTMAS

AAAAA,  
DAMN--I AND I  
ABSOLUTELY  
DIDN'T WANT TO  
COME TO YOU  
TODAY!

NEXT  
CHRISTMAS...  
HAAAA...

I WONDER  
WHAT KIND OF  
STUPID STUFF  
WE'LL BE UP  
TO NEXT  
CHRISTMAS!

I'LL BE  
LOOKING  
AFTER  
ITALY!

I DON'T WANT TO  
BE THE ONE TO SAY...

I'LL ABSOLUTELY NOT  
FORGET TO THANK YOU!

TO BE CONTINUED!!  
...MAY BE!
